

# Programme

Moderated by Kristine August  
(Helmholtz-Gemeinschaft Deutscher Forschungszentren)

# Future of SciComm Conference

## 2.0

**12:00** **Check-in & Snacks** *Schuman Lobby*

**13:00** **Welcoming Address** *Jean Rey I-III*

with **Birte Fährnich** (German Federal Ministry of Education and Research),  
**Antonio Loprieno** (All European Academies) and **Markus Weißkopf** (Wissenschaft im Dialog)

**13:15** **Impulse Talks** *Jean Rey I-III*

- **The Role of Science Advice during the Pandemic and its Future Opportunities**  
(Erika Vlieghe, University of Antwerp)
- **Distrustful and Misinformed? Ideological Stereotypes of Citizens in Science Communication**  
(Massimiano Bucchi, Università di Trento)
- **Challenges of SciComm during the Pandemic and its Implications for Future Crises:  
A Practitioner's Perspective**  
(Uwe Steger, Universität Innsbruck)

**14:30** **Coffee Break** *Schuman Lobby*

**15:00** **Workshop Session (Part 1)**

- **Communicating Global Challenges: Learning from COVID-Communication and Climate Change**  
(Toby Wardman, SAPEA – Science Advice for Policy by European Academies)  
*Room: Jean Rey I-III*
- **Fake News & Disinformation and the Consequences for the Science-(Communication)-Community**  
(Birte Fährnich, German Federal Ministry of Education and Research)  
*Room: De Gasperi I*
- **Evidence-based Practice, Impact and Evaluation of SciComm**  
(Liliann Fischer & Ricarda Ziegler, Wissenschaft im Dialog)  
*Room: De Gasperi II*
- **Networks and Institutional Structures of European SciComm**  
(Philipp Burkard, Science et Cité/ EUSEA – the European Science Engagement Association & Markus Weißkopf, Wissenschaft im Dialog)  
*Room: De Gasperi III*

16:00

**Break** *Schuman Lobby*

16:15

## Workshop Session (Part 2)

- **Communicating Global Challenges: Learning from COVID-Communication and Climate Change**  
(Toby Wardman, SAPEA – Science Advice for Policy by European Academies)  
*Room: Jean Rey I-III*
- **Fake News & Disinformation and the Consequences for the Science-(Communication)-Community**  
(Birte Fähnrich, German Federal Ministry of Education and Research)  
*Room: De Gasperi I*
- **Evidence-based Practice, Impact and Evaluation of SciComm**  
(Liliann Fischer & Ricarda Ziegler, Wissenschaft im Dialog)  
*Room: De Gasperi II*
- **Networks and Institutional Structures of European SciComm**  
(Philipp Burkard, Science et Cité/ EUSEA – the European Science Engagement Association & Markus Weißkopf, Wissenschaft im Dialog)  
*Room: De Gasperi III*

17:15

**Break** *Schuman Lobby*

17:45

**Workshop Presentations** *Jean Rey I-III*

18:30

## Panel Discussion on “How to institutionalize SciComm in Europe?”

*Jean Rey I-III*

with

- David Lodder (European Commission/DG Research)
- Ionica Smeets (Leiden University)
- Svetla Tanova (European Science Media Hub)
- Markus Weißkopf (Wissenschaft im Dialog)

Moderated by Maria Lindholm (Sweden’s Research and Innovation Office in Brussels)

19:30

**Get-Together** *Schuman Lobby*
